25X1 18. [ ] After conversations with FE Division and  
25X1 [ ] CDC, I talked with Mr. Dale deHaan, Research Analystist on  
the Senate Subcommittee on Refugees and Escapees, regarding a possible  
appearance before that Subcommittee in open session by [ ] 25X1  
Mr. deHaan said that Senators Kennedy, Tydings, Fong and McClellan were  
most interested in having [ ] appear before the Subcommittee on 25X1  
the subject of Chinese refugees. They are not interested in an executive  
session appearance. It is their hope to have [ ] and a State Depart- 25X1  
ment representative appear before the Subcommittee on 18 or 19 May. I  
explained to deHaan some of the sensitivities involved in an open session  
appearance particularly pertaining to the circumstances involved in his  
escape from China and I also mentioned his commitment to Life magazine  
with which Mr. deHaan was familiar. Mr. deHaan said he was quite certain  
that Senator Kennedy would assist [ ] in protecting any sensitive 25X1  
information but said in the final analysis this was a request at this point and  
not a demand for [ ] appearance. It was clear that the Subcommittee  
has been in touch with [ ] brother and with Mr. Tom Hughes, State  
Department, who, according to deHaan, encouraged the Subcommittee in  
its request for [ ] to appear and suggested it would do no harm to  
write him a letter. It has been suggested that this situation be brought to  
the attention of the DD/P. It was also suggested that a possible solution to  
an apparent problem in [ ] appearance in view of his contract com-  
mitment to Life magazine be a contact with Life advising them of the Subcom-  
mittee's request in order to elicit Life magazine's response.

25X1 19. [ ] Attempted to reach Mr. Bernard Fensterwald,  
25X1 Subcommittee on Administrative Practice and Procedure staff, concerning his  
letter to the Agency on the [ ] Mr. Fensterwald's afternoon was  
committed but we will attempt to see him tomorrow.

25X1 20. [ ] Brenda Tondreau, in the office of Senator  
25X1 Harry F. Byrd, Jr., called and requested a copy of the Agency report on  
the [ ] proposal. I suggested to Miss Tondreau that the quickest and easiest  
way of getting this was to request it from the House Banking and Currency  
Committee. She thanked me for this information and said she would contact  
the Committee.
